
Age Restrictions

Students enjoy taking classes with their peers. We split camps into 3 groups: 6-8, 9-12, and 13+ to best suit the skill level, maturity, and developmental abilities of students. We understand that students may have special gifts and abilities, but we require students to be placed with their age group for at least the first class so the teacher can assess skill levels and group dynamics.

Refund Policy

Payment reserves your space in camp. Please notify 171 Cedar Arts Center if you intend to drop your child from camp at least one week prior to the start date of the camp. This notice gives us time to notify students on the wait-list in a timely manner. Those who do not notify 171 Cedar Arts Center that they have dropped registration will not receive a refund. 171 Cedar Arts Center will refund families if a camp is cancelled. We will only prorate day(s) of camp if we are given notice at registration.

Check-In & Emergency Release Forms

Please arrive 10-15 minutes early on Monday, the first day of camp to check your child in and fill out emergency contact information. 171 requires all parents or guardians to notify us about allergies, grant or deny photo release permission, and provide the name of at least one responsible adult who will be able to pick up children in case of emergency. We only require check-in on the first day of camps.

Camp and Lunch Times

Camps run in 2 sessions. AM from 9:00-12:00pm and PM 12:30-3:30pm. Student may take both the AM and PM session for a full day of Camp. Students taking a full day of camps should bring their own lunch to be eaten in our theater space between 12:00-12:30pm. 171 does not provide lunch to campers. Please provide your child with lunch if they are taking a full day of camps.
